- **Games company** - Mobile Game developer, Own IP, 3 - 5 MSEK Revenue

Wicket's mission is **building and owning an entire value chain** of the games and media business. We are creating a living platform as a support structure for current **family members** with a focus on plug-and-play solutions.

Our Goals & Vision

1 Billion SEK in Market Cap as a Financial Goal by end of 2022

Short goals (6-12 months)

- Launch Daily Fantasy Sport platform
- Begin development of manager game title # 2.
- Launch Tank Operations and Cathedral on global market.
- Preview of Captain Hog & his friends
- 2-4 company acquisitions.

Vision

Wicket's mission is **building and owning an entire value chain** of the games and media business. We are creating a living platform as a support structure for current and future **family members** with a focus on plug-and-play solutions.

THANKS!
